## **Statement from GE on U.S.-Colombia Free Trade Agreement**

**FAIRFIELD, CT. – April 6, 2011** - GE congratulates the U.S. and Colombian governments on reaching an agreement to move forward the U.S.-Colombia Free Trade Agreement. This important agreement, combined with the Korea and Panama FTAs, is an important step forward in promoting jobs and competitiveness through trade. We urge Congress to approve all three FTAs as quickly as possible, and urge the Administration to move forward with further market-opening trade agreements.
